## Remsen 101 Seating Layout

Johns Hopkins University

There are **192** seats. All of them are **right-handed**. There are a few extra movable chairs at the back. With **alternate seating**, there is space for **102** people (or 101 if one allows for the broken seats).

Every third seat is labeled. There is no row I.

\* Several seats in row J have **broken tables**.

**EVEN** NUMBERS ARE ON THIS SIDE (WEST)

**ODD** NUMBERS ARE ON THIS SIDE (EAST)
